

Delivery of Construction Materials for Indonesia Pavilion Dubai Expo 2020

Expo 2020 Dubai, which is expected to attract millions of visitors between its opening day on October 20, 2020 through April 10, 2021. The World Expo aims to bring together hundreds of countries and millions of people to celebrate human ingenuity with the Expo tagline “Connecting Minds; Creating the Future.”

Samudera Logistics is appointed as the Logistics Service Provider for the Indonesia Pavilion. Our exhibition team has vast experience and knowledge to prepare the logistics plan for the pavilion from pre-event, event, to post-event. The delivery of construction materials were conducted during the pre-event phase.

Our stellar team in the Exhibition & Fair Department are experienced and reliable in managing your Expo/Exhibition Cargo. Samudera has handled some of the biggest and most highly attended event in the world; one of it is the prestige Expo 2020 Dubai.
